

# INFO FOR PARENTS

## GUIDE TO FACE-TO-FACE LEARNING

*Classes will look differently at WHSC as we continue to manage the ongoing restrictions caused by COVID-19. Please refer to this Guide regularly.*

- **IF YOUR CHILD IS EXPERIENCING FEVER, COUGH, OR SHORTNESS OF BREATH, THEY MUST NOT COME TO SCHOOL.**
- **PLEASE ABIDE BY ALL RULES REGARDING SOCIAL DISTANCING.**

### How do I contact the school?

- **Parents will need to contact the office before coming onsite via email or telephone.** Please be patient as our Admin staff may be experiencing a high volume of queries.
- During pick up and drop off, parents are **not permitted** on school grounds and are encouraged to stay in their cars for their own safety.
- No non-essential visitors to the College will be permitted without an approved appointment.
- Please check your Compass Newsfeed regularly.
- Compass Newsfeed items containing important updates or school policy changes will be posted between **4pm and 5pm** each day by the College Principal (as needed).

### How do I communicate with my child's teacher?

- Parents can contact their child's teacher through Compass.
- Please correspond with your child's teacher via Compass email before calling the school to speak with them or scheduling a face-to-face meeting.
- Parents can check the Weekly Year Level Bulletin, posted each Monday, for important information about their child's Year Level.

### What will my child's learning look like?

- Learning tasks will be available on Compass, as well as your child's relevant digital classroom on Teams.
- Encourage your child to check their Class and Year Level Teams regularly, to communicate with their teachers and Coordinators.
- Learning will continue to be supported by digital platforms where possible. We want to avoid as much unnecessary contact to protect the health and safety of all members of the community.
- **Mobile phones are not permitted at school.** These must remain in student lockers at all times.
- Drinking fountains have been turned off. Students should bring a drink bottle and fill it at a designated filling station.
- Please ensure that your child has their own pens and other stationary, as teachers are not able to loan students these items to students.

### What if my child feels sick?

- If your child wakes up feeling unwell, **they must not come to school.** Unwell students exhibiting any symptoms of COVID-19, including cough, fever, or shortness of breath, should seek medical advice.
- If your child feels unwell during the day, your child will be isolated in the sick bay and sent home if necessary.
