

Year 11 Electives Selection Process for 2021

INSTRUCTIONS: Students will receive an email with their unique "WEBCODE". This code will allow them to make their subject selections. Emails will be sent to each student's school email account on the morning of **Friday, August 14th**.

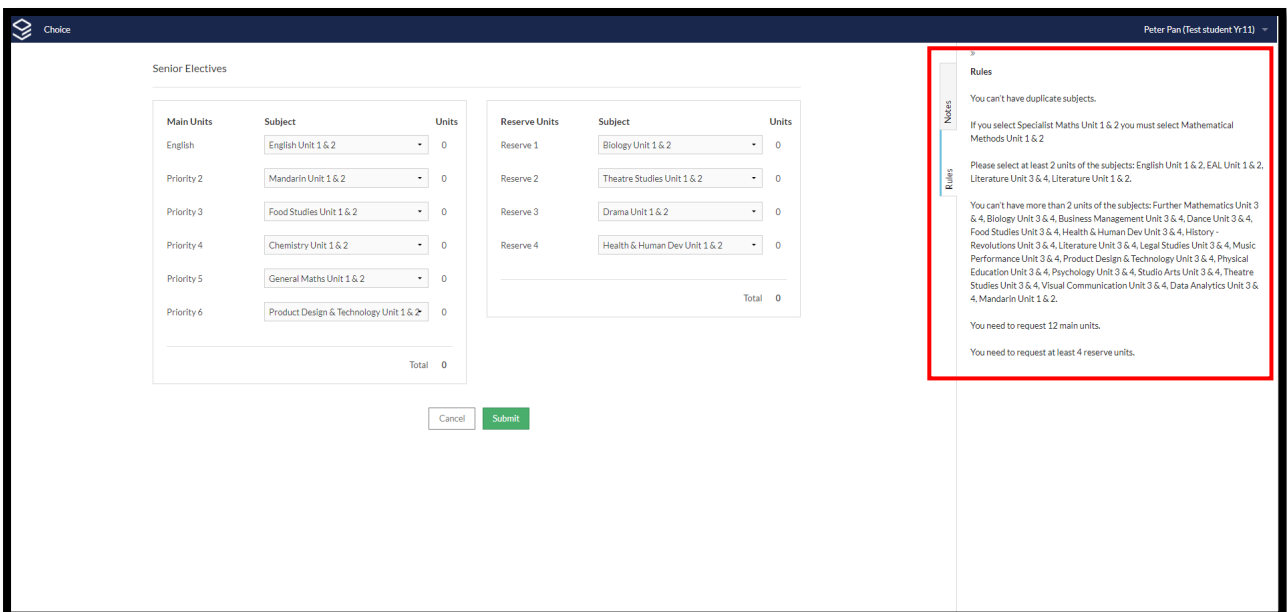

STEP ONE: Click this link to make selections: <https://spring.edval.education/>. This will take you to the Edval sign-in screen. Enter your webcode.

The image shows a screenshot of the Edval sign-in interface. At the top, the Edval logo (a stylized 'e' icon) and the word "edval" are displayed in white on a dark blue background. Below this, a white box contains the text "Sign in to your account". Underneath is a light blue input field with a masked password ".....". To the left of the input field is a checkbox labeled "Stay signed in for 30 days". To the right is a blue link that says "Forgot WebCode?". At the bottom of the white box is a solid blue button with the text "Sign in" in white.

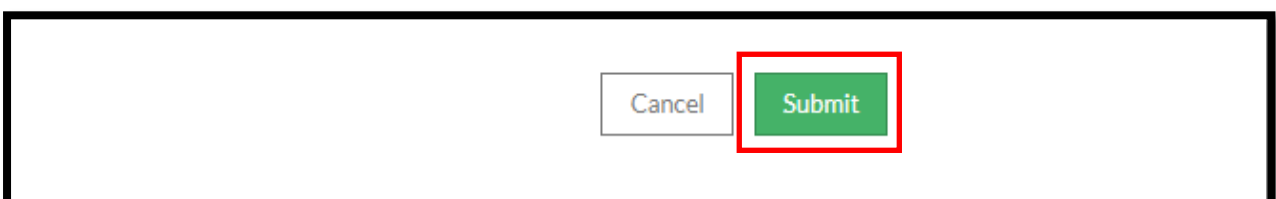

STEP TWO: Make your subject selections in order of your preference, making sure to select the correct subject.

Please make sure you read the **Rules** on the right-hand side of your selection form, as this gives you clear instructions on what you can and can't do when selecting your subjects.

STEP THREE: Press submit. Make sure you double-check your subject selections before pressing submit, as this will finalise your subject selections for 2021.

STEP FOUR: You must print a copy of your subject selections for yourself, and email your subject selection to ri@whsc.vic.edu.au in the Optional Email section.
